Parent portion subsidy to be calculated on an individual basis	

### **IMPORTANT - PLEASE READ:**

-Casual & Before/After School Care fees are payable on a daily basis or at the end of the month depending on how regular the use of service is.

-Full Time Fees are **DUE** on the **first day of each month**. If Fees are not paid by the 15th of the month a \$10.00 late payment charge will be added to the amount owed. If Fees are still outstanding on the last day of the month, an **additional** 20% late payment charge will be added to the amount owed. Parents are responsible for letting the Day Care /Day Home Coordinator know, **BEFORE** the 1st of each month, if there will be a change in their regular hours and what fee category they will be using for that month. Parents are responsible for ensuring that they stay within the paid hours or let the Day Care/Day Home Coordinator know if they are going to go over the agreed hours. If a child is consistently using more than the agreed upon hours the Day Care/Day Home Coordinator will set the monthly fee based on the parents work schedule.

-PLEASE NOTE - Parents will be charged the higher fee if actual hours used are over their estimate.
